

# Google AdWords (Google Ads) Connector

---

Are you interested in connecting directly to your AdWords data from Tableau? Refreshing it on Server or Online? If so I'd really like to learn more about your use case and needs, please share them!

Drew Loika  
Product Manager - Cloud  
Tableau

\*\* Community Manager note: This feature released with 2019.1 Check out the new features page to see a full list of what's included in this release.

Thank you! Amanda Boyle
